### **SCHOOL DUTIES THIS SEASON**

Duty Schools for the week of and week after will be listed below the draw.

**CANTEEN:** Schools need to provide at least 2 parents at all times to help in the canteen from

3.30pm until the last round of Junior Netball.

**COURTS:** Schools on court duty must organise to have the goal pads & goal rings put on prior to the start of the first round, HELP with the Goal Changeover when necessary and make sure ALL KIWI GOALS are brought in. Check for any surface rubbish on courts at the end of the Junior Rounds.

**TOILETS:** Due to the damage caused to our Toilets during JUNIOR NETBALL hours last year, Committee have decided to add 1 SCHOOL each week to Monitor the toilets while JUNIOR NETBALL is played and clean toilets at the end of the Junior Round. The Key can be collected from Control and Returned after Toilets are cleaned after the completion of the Junior Round.

Please LOOK after our toilets, ongoing repairs to our buildings make it difficult to upgrade them.

Continued Damage to our Toilets will see us LOSE this building and be forced to use the council toilets at the END of the Carpark ☹
